-----------------------------	---	----	-----	-----------------	--

\*Cycling MB will be taught using the mountain biking requirements. Scouts are encouraged to bring their own mountain bike if they want. We have ones Scouts can use but are limited.

## Guest Merit Badge Offerings

If your troop has a merit badge counselor for a different badge from those offered and they want to hold their own merit badge course during our scheduled time, they may do so. The counselor must fill out the [Adult Volunteer Form](#) found on our website, be an approved merit badge counselor, and be willing to allow Scouts from all units to attend the merit badge. Once the counselor and office staff work together on a time and location, we will inform all units of that opportunity. We will put the badge time into Doubleknot for Scouts to sign up. The course should be approved by May 3.

## Merit Badge and Activity Online Sign-Up

*After your troop has submitted a roster and payment to the council office, your troop will be able to access the Doubleknot registration system by going to the calendar on the council website, clicking the link for your week at camp, then 'register'. Please designate **JUST ONE** member of your troop to enter activity schedules. Multiple troop registrations cause significant work to sort out. In 2018, Camp Long Lake eliminated sign-up limits to any merit badge without physical limitations.*

## Program Costs

Program costs can be paid at the Trading Post during Camp. The fees defray costs for program materials (i.e. gasoline for boats, ammunition, etc.). Merit badge fees are listed above in the list. You can find all fees also listed in the [2020 price list](#).

Merit badges which have program fees will be included in the sign up of badges. This would then be managed by the unit. The option will be there for units to pay program fees at camp, as done in the past. For badges that require kits (Leatherwork, etc.) the kits will be ready and available at check-in for the unit leaders on Sunday.

**All prices are subject to change. Units will be notified prior to camp on any changes.**

Program Fees (Additional Opportunities)	
Red Cross CPR and First Aid	\$45
ATV Program	\$50
Black Powder Rifle	\$0.50/shot
Outpost Fee	\$75 *subject to change
